THE COVER AND BENEFITS WE PROVIDE

The cover

Having your car involved in an accident or stolen is an unpleasant and worrying experience. But when you insure your car with Just Car, we look after you. We will pay for any accidental loss, damage and liability for property damage covered by your Just Car insurance policy occurring during the period of cover.

When your car has been damaged, we will decide to repair it, pay the cost of repairing it, declare it a write-off and pay the agreed value, or replace it. See pages 12-17 for details.

If parts for the repair of your car are not available, we will pay you the cost of repairing your car. See page 14 for details.

When your car has not been found after being stolen, we will declare your car a write-off and pay the agreed value or replace it. See pages 12-17 for details.

When the use of your car causes damage to someone else's property, we will pay for your legal liability. See page 13 for details.

We cover your car for its agreed value

We insure your car for its agreed value. Your car's agreed value is set by Just Car at the commencement of your policy and it's almost always adjusted at the beginning of each subsequent period of cover. It is shown on the most recent of your insurance schedule and renewal notice and it does not change during the period of cover.

The agreed value includes GST and is the most we will pay for your car, less any excess(es) and any other deductions this policy explains, for accidental loss or damage covered by this policy occurring during the period of cover.

If you don't agree with the agreed value we offer, you should tell us why. We will then discuss it with you, and if we agree to any change, confirm it in writing.

We replace your Australian-delivered car with a new car when it is less than 1 year old and we declare it a write off

If we declare your Australian-delivered car a write-off because of damage or theft within the first year of its original registration, we will replace it with a new car and pay the initial on-road costs.

The replacement car:

- will be of the same make and model as your car,

- will be fitted with the same insured options and accessories as those fitted to your car, and

- has to be locally available. If it is not locally available, we will pay the agreed value.

If your car is under finance, you have to obtain the approval of the financier before it can be replaced.

Important limitation: this replacement car cover only applies to Australian-delivered cars, which in this policy means cars either built in Australia or imported to Australia for sale by their manufacturer or its authorised distributor. This cover does not apply to grey or private imports, for which we will pay their agreed value.

What happens when your Australian-delivered car is more than 1 year old and we declare it a write off?

If we declare your Australian-delivered car a write-off and 1 or more years have passed since it was originally registered, we will pay the agreed value.

The benefits

We help with the cost of towing your car

We pay the reasonable cost of towing your car to the nearest repairer or place of safety if it is damaged and cannot be safely driven. The amount we will pay under this benefit will depend on where the accident takes place and what transport options are available.

The Just Car Lifetime Repair Guarantee

The quality of the workmanship and the materials we authorise in the repair of your car will be guaranteed for the life of the car. See pages 14 for details.

We cover your replacement car

If you replace your car with another car, we will insure the replacement car from the time of its purchase, provided:

- the replacement car is one that we would normally insure,
- you tell us within 14 days of the purchase of the replacement car,
- you pay any additional premium we require. If an additional premium is payable, we will tell you how much it is and how it is to be paid.

The cover ends for the replaced car and begins for the replacement car at the time you take delivery of your new car. If we agree to insure your replacement car and you pay us any additional premium we require, we will send you a new policy schedule.

WHAT TO DO AND WHAT HAPPENS WHEN

Your car has been damaged

Call Just Car (as soon as possible) on 13 13 26

Just Car chooses the repairer and arranges your repairs

When your car is damaged, we will arrange the repair work for you and choose the repairer who will do the work.

We ordinarily require two independent competitive quotes from repairers we recommend. If you choose, you can provide one of the quotes from a repairer you select. Our assessor will review the quotes, including any quote from a repairer you select, and what is necessary to properly repair your car. We will choose the repairer who has submitted the more competitive and complete quote and that will be the repairer who repairs your car.

When the repair is complete, you will be advised your car is ready for collection.

Your car has been stolen

Report the theft immediately to the police and to Just Car (13 13 26)

We allow 14 days for your car to be found from when you reported its theft to us. If your car is found damaged within the 14 days from when you reported its theft to us, and we are satisfied your claim is in order, and your car:

can be repaired, we will arrange the repair. See 'Your car has been damaged' above.

cannot be repaired, see 'If your car cannot be repaired' pages 14-15.

If it is not found within the 14 days, and we are satisfied your claim is in order, we declare your car a write-off and pay the agreed value or replace your car. See 'What happens when we make a 'write-off' payment or replace your car' on page 15.

The use of your car has caused damage to someone else's property (legal liability)

Call Just Car (as soon as possible) on 13 13 26

We cover your legal liability for any loss or damage to other people's property and loss or damage consequent upon damage to other people's property resulting from the use of your car during the period of cover. The use of a caravan or trailer attached to your car is also covered.

We will pay up to a total of \$20,000,000 for all claims arising from the one event.

Any person using your car with your permission and who complies with the terms and conditions of this policy is covered.

Your employer or principal is covered if you are driving your car in the course of your employment or agency, and you are covered under this policy for business use of your car or the use of your car is private use.

We do not pay for loss or damage to property owned by you or any person ordinarily living with you.

Further information about repairing or replacing your car

Inspecting and repairing your car

You must make your car available to us if we decide to inspect or repair it. If requested by us, you must take your car or allow it to be towed to a place nominated by us. You must not authorise the repair of your car without our written authority.

Your contribution to repair work

If the repair of your car leaves it in a better condition than before it was damaged, we may ask you to contribute to the repair cost. If we ask you to contribute we will always explain why, tell you how much it will be and how to pay it.

Where replacement parts are required for the repair of your car and your car is...

within its manufacturer's standard new car warranty period:

New OEM (original equipment manufacture) parts will be used except for the replacement of windscreens and window glass for which Australian Design Rule compliant parts may be used.

outside its manufacturer's standard new car warranty period:

We will use parts that are consistent with its age and condition. This may include new, non-OEM, OEM-equivalent and/or recycled parts.

When parts for your car are delayed or no longer available

Where replacement parts are required for the repair of your car and they are delayed (for example, if they need to be imported from overseas) or if they are no longer available, we may pay you what it would have cost us to repair your car with those parts had they been available in Australia.

Sub-contracting repairs

We or the repairer we authorise to repair your car may sub-contract some of the repairs.

Secure compliance labels

If your car is fitted with a secure compliance (or car security) label which is damaged, we will try to source a replacement from the manufacturer. If we cannot source it, we will still repair your car without replacing such a label.

The Just Car Lifetime Repair Guarantee

The quality of the workmanship, any sub-contracted repairs and the materials authorised by Just Car in the repair of your car will be guaranteed for its life. The parts used in the repair will be the same type as those explained on these pages.

If you are concerned about the quality of the repair of your car, you must call us on 13 13 26 and you must make your car available to us. You must not authorise rectification work without our written authority.

We will inspect the repair and arrange any necessary rectification work. If in our opinion, it would not be safe or economical to carry out the rectification work required, we will declare your car a write-off.

If our write-off declaration is made:

within the current period of cover, we will pay the agreed value shown on your policy schedule for that period.

after the current period of cover, we will pay the market value of your car applying at the time of our declaration.

If your car cannot be repaired

Sometimes cars are so badly damaged they would not be either safe or economical to repair.

If, in our opinion, the damage to your car is so great that it would not be safe or economical to repair, we will declare your car a write-off and pay the agreed value or replace it. See 'The cover' on pages 5-6 for details.

What happens when we make a 'write-off' payment or replace your car

When we make a 'write-off' payment

When we replace your car

We will deduct any unpaid or additional premium owing from our payment.

You will first need to pay us any unpaid or additional premium owing.

We pay the agreed value and your policy comes to an end.

We replace your car and your policy comes to an end. **You will need to organise new insurance cover for your replacement car.**

We will post you a cheque for the agreed value or deposit it directly into your nominated bank account.

If your current credit provider or someone else has a financial interest in your car, we will pay them what they are entitled to and pay you any balance.

Because our 'write-off' payment meets all our obligations to you in full, there is no refund of any unused portion of the premium.

There is no refund of any portion of the premium because our replacement of your car meets all our obligations to you in full.

We retain your damaged car unless you wish to keep it. If you wish to retain your damaged car:

Its salvage value will be deducted from our payment.

You will need to pay us its salvage value first.

In this table 'your car' and 'your damaged car' each include all insured options, accessories and modifications, and unless the law where you live provides otherwise, the value of any unexpired portion of your car's registration and Compulsory Third Party (CTP) insurance.

We shall be entitled, but not obliged, to defend or represent you in any legal proceedings relating to an accident or event which may give rise to a claim against us and to control, settle and deal with those proceedings as we see fit.

We will pay the legal and other reasonable related costs of defending any claim made against you, provided we appoint the solicitors who will defend the claim and we have told you in writing that we will pay their costs.

You must assist us in all our endeavours to negotiate, defend or settle any claim made under this policy and to exercise for our benefit your legal right of recovery against any other party.

If you fail to assist us, or do not abide by any of these terms, we may reduce or refuse to pay your claim or be entitled to recover from you any monies paid under the claim.

IMPORTANT GENERAL INFORMATION

When we quote you a premium

When we quote you a risk premium for insuring your car, some of the factors we take into account include:

- the insurance history, driving history and the age of the people who will be driving your car,
- what you use your car for and where your car is usually kept,
- the value, age, make and model of your car and whether it has any accessories or modifications,
- the frequency of your payment instalments, and
- whether you have chosen to vary your policy excess.

Government taxes and charges are added to the risk premium we quote. The total of these amounts is the premium we charge you.

For more information about the factors we take into account, you can read our Just Car Comprehensive Car Insurance – Premium, Excesses & Claims Guide. It is available on our website at justcarinsurance.com.au (under the 'Customer Centre' section then 'Policy Documents') or call us on 13 13 26 if you would like us to send you a free copy.

Excesses may be payable on any claim you make on this policy. See page 18 for further details.

Paying your premium

The notices we issue at the commencement, agreed change to, and each renewal of your policy show the various payment methods available to you.

A change to your policy details (for example change of address, change of car or modifications) may affect the premium you need to pay for the remainder of your period of cover. If a refund of \$10 or more is payable, we will send you a cheque or credit your payment card account. Any extra premium needs to be paid by you within 14 days.

If you do not pay the premium in full or any additional premium required, we may reduce your period of cover to correspond with the amount you have already paid.

Paying your premium by instalments

You may be eligible to pay in regular instalments by direct debit. The total premium we charge is higher when you pay in instalments than when you pay one sum annually.

Your responsibilities when paying by instalments

When paying by instalments:

- you must be an authorised signatory on the account nominated for your direct debit payments.

- you must ensure that your nominated account can accept direct debits and has sufficient funds to meet each payment at each due date.

- your financial institution may also apply its own fees (including dishonour fees). Those fees are your responsibility.

What happens if your instalment remains unpaid?

If our scheduled debit attempt is unsuccessful, we will send you one or more notices to inform you of the failure. We will also attempt to debit your account again during the four weeks immediately after our unsuccessful scheduled debit attempt.

We will not accept any claims after an instalment payment has remained unpaid for a period of 14 days or more from its original due date.

If the instalment remains unpaid for one month or more from its original due date, we may cancel your policy without giving you advance notice of its cancellation.

Any notice of our intention to again debit your account will not extend our final claims acceptance date or the date we cancel your policy.

Changing your instalment payments

If you wish to change or cancel your direct debit arrangements, you need to contact us at least seven days before the debit day.

If you cancel the debit completely, you will need to arrange for another way to pay us your premium, to ensure you remain covered.

Important things to remember when paying by instalments

When you first commence your direct debit payments, or when you change your account details, it may take up to 14 days for us to first debit your account.

Where your debit day falls on a weekend or a nationally declared public holiday, we will debit your account on the next business day.

If you believe that we may have incorrectly debited your account, please call us on 13 13 26.

If we decide to make a write-off payment or replace your car under this policy, we will require you to first pay us the total unpaid balance of your premium as we have agreed to cover your car under the terms of this policy for the full period of cover. In the case of a write-off payment, we will deduct your unpaid premium from the payment we make.

When you pay your premium by instalments, we will send you a renewal notice before the policy expiry date. Unless you cancel your direct debit arrangements they will continue for your new period of cover, based on the terms of that new cover, including any change in premium.

Changing your address details

If you change your insured address (the address where your car is normally kept overnight), please call us and we will:

- update your details and tell you if there is any difference in the terms and conditions of your policy as it applies to your new address;

- refund or charge you any difference between the premium you paid and the premium we charge for the remainder of your period of cover for cars insured at your new address. If a refund of \$10 or more is payable, we will send you a cheque or credit your payment card account;

- send you a new policy schedule to confirm the change.

If you do not tell us of a change of insured address and you make a claim, we will ask you to pay any increased premium or we will reduce the claim by that amount.

Renewing your policy

When we offer to renew your policy:

- we will send you a notice before the policy expiry date;

- we will tell you in writing if there are any changes to the policy;

- we may require an additional premium if you make a claim in the short period between the time we calculated the renewal premium and the expiry of your policy, or if you tell us about changes to your policy details in that period and we tell you they will increase your renewal premium. If the additional premium is not paid, we may reduce the period of cover to match the reduced amount you have paid.

Cooling off period and cancelling this policy

Federal law lets you cancel your policy within 21 days of its purchase. Just Car also lets you cancel your policy at any time.

In both cases, so long as you haven't made a claim, we will refund you the unexpired portion of the risk premium component of your total premium, as well as a pro-rata refund of any taxes and charges to which you are entitled to by law, less a \$30 processing charge.

To cancel your policy, please call us on 13 13 26. We can only cancel your policy by giving you written notice in accordance with the Insurance Contracts Act 1984.

Government taxes and charges

Just Car shows on receipts any government taxes and charges such as GST, stamp duty and fire services levy that are payable in addition to your risk premium. See "When we quote you a premium" on page 23.

GST

The agreed value for your car and the legal liability cover we provide both include GST. Any amounts we pay under "The benefits" include GST.

PDS means Product Disclosure Statement.

Period of cover means the current period for which we have agreed to provide you with insurance cover. The current period is shown on the most recent of your insurance schedule and renewal notice, and any receipt we may send to you. Your **policy schedule** comprises the notices we give you which show the particular details and the current status of your policy. These notices are the most recent of your **insurance schedule** and **renewal notice**, and any **receipt** we may send you.

Your **insurance schedule** sets out the information you have given us on which we have based our decision to insure you as well as the individual details of your policy. We will send you an updated insurance schedule whenever you advise us of a change in this information or these details.

Use. The types of use of your car that we insure are:

Write-off. Your car is declared a write-off when, in our opinion, it is so badly damaged that it would not be either safe or economical to repair or when it has not been found within 14 days of you reporting its theft to us and when we are satisfied your claim is in order.

You and **your** mean the person or persons named as the insured in your policy schedule.

Your car means the car described in your policy schedule and includes the manufacturer's standard options and accessories fitted to it and other options, accessories and modifications that you have told us about and we have agreed in writing to cover.

Report insurance fraud

Insurance fraud is not a victimless crime. It imposes additional costs on honest policyholders and wastes valuable resources of our community. This means it affects everyone.

We actively pursue fraudulent and inflated claims in order to keep your premium low. Fraudulent claims will be investigated and may be reported to the police.

Help us fight insurance fraud by reporting:

- inflated car repairs.

- staged car accidents.

- false car claims.

- car fires which may have been intentionally started, including by someone known to you.

To report suspected insurance fraud, call 1300 881 725 (local call cost).

This policy may be a 'protected policy' for the purposes of the Federal Government's Financial Claims Scheme (FCS). For more information about the FCS, you can read our Just Car Comprehensive Car Insurance – Premium, Excesses & Claims Guide. See page 17 for details on how to access the Guide.
